A telephone conference was held in this matter on June 8, 2010. The Plaintiff's counsel advised that the parties had reached a settlement in the matter and as soon as the necessary documents were signed they would be petitioning the Court for approval of the settlement inasmuch as a minor was involved.

The parties are requested to file the necessary papers requesting approval of any settlement within the next **30 days**. Settlement approval must be done by Chief Judge Campbell absent the consent of all parties to dispose of the case before the undersigned.

It is so **ORDERED**.
